NADAL 2022

*Estaba o Apalpador
paseando por Río Azor,
cando un vento soprou
e unha tromba provocou.*

*Díxolle ao noso Agapito:
"Ti poderías recomendar
@s rapac@s de Palmeira
estes libros por Nadal.*

*Tantos libros espallados
deixou a tromba mariña
que o Apalpador pensou
darlles unha nova vida.*

*Agapito cun sorriso
contestou ao Apalpador:
"@s nen@s deste colexio
estarán agradecidos
de recibir de agasallo
Os seus contos preferidos".*
